When I shall cross over the dark rolling tide  
Oh, what a glad meeting there'll be  
For close by the beautiful pearly white gate  
My loved ones are waiting for me.

Waiting for me, they're waiting for me  
Oh, what a glad meeting there'll be  
Waiting for me, they're waiting for me  
My loved ones are waiting for me.

--- Instrumental ---

I sometimes get weary and long to go home  
But all of my work is not done  
I'm glad I can labor for Jesus my Lord  
Till sounds of sweet message come home.

Waiting for me, they're waiting for me  
Oh, what a glad meeting there'll be  
Waiting for me, they're waiting for me  
My loved ones are waiting for me...
