One by one we've broke each vow we made  
It was you who lied it was me who paid  
As sure as there's a heaven beyond the sun  
We'll pay for our lies one by one.

My plans and hopes have tumbled down  
My castle of dreams plunged to the ground  
How can you face me after what you've done  
You've shattered my dreams one by one.

One by one we've broke each vow we made  
It was you who lied it was me who paid  
As sure as there's a heaven beyond the sun  
We'll pay for our lies one by one.

--- Instrumental ---

How can you go to sleep at night  
Don't know mem'ries make you long for daylight  
You'll pay the price after having your fun  
You'll regret each mistake one by one.

The love I treasured you sold for gold  
For wordly goods you left me cold  
You're happy now but the time will come  
Your false love will lead you one by one.

One by one we've broke each vow we made  
It was you who lied it was me who paid  
As sure as there's a heaven beyond the sun  
We'll pay for our lies one by one...
