When will my arms grow cold  
When will your kiss grow old  
When will I want to be free  
Exactly one minute past eternity.

When will I make you blue  
She can run around on you  
Throw away the love you've given me  
Exactly one minute past eternity.

Eternity is for ever  
So darling, have no fear  
My love for you will last and last  
A million, million years.

When will I say goodbye  
Break your heart and make you cry  
Tell you to forget about me  
Exactly one minute past eternity.

--- Instrumental ---

Eternity is for ever  
So darling, have no fear  
My love for you will last and last  
A million, million years.

When will I say goodbye  
Break your heart and make you cry  
Tell you to forget about me  
Exactly one minute past eternity.

Exactly one minute past eternity...
