Snowflakes're falling, Santa's on his way
With a lotta jingle bells jingin' on his place
Boys and girls are waitin' clapping out with glee
'Cause they know he'll put lots of toys around the
Christmas tree.

Shanty wants an aeroplane, Suzie wants a doll
Bobby wants a pair of skates and Fred a cowboy gun
Santa got his reindeer waitin' and he'll soon be on his
way
Oh, Santa will bring lots of joy on this Christmas Day.
