Seven lonely days make one lonely week
Seven lonely nights make one lonely me
Ever since the time you told me we were through
Seven lonely days I cried and cried for you.

Oh, my darling, you're crying hoo, hoo, hoo, hoo
There's no use in denying I cried for you
It was your favorite past time making me blue
Last week was the last time I cried for you.

--- Instrumental ---

Seven hankies blue, I filled with my tears
Seven letters too, I filled with my fears
Guess it never paced to make your lover blue
Seven lonely days I cried and cried for you.

Oh, my darling, you're crying hoo, hoo, hoo, hoo
There's no use in denying I cried for you
It was your favorite past time making me blue
Last week was the last time I cried for you...
