You see her there at the bar across the room  
She looks like an angel with her paint and perfume  
You'd like to meet her your conscience says no  
Obey your conscience turn around boy and go.

She's no angel, she's no angel, her wings are not real  
She'll ruin your life it's your heart she can steal  
She'll tell you tales to bring tears to your eyes  
But don't you believe them for they're only lies.

--- Instrumental ---

You think if only she could be your own  
You'd be more contented than a king on his throne  
You'd better not trust her it's wrong if you'd do  
She's broken many hearts and she'll break yours too.

She's no angel, she's no angel, her wings are not real  
She'll ruin your life it's your heart she can steal
