Well, I wanna be a big star
And wear the finest clothes
Rhinestone suits and cowboy boots
And tall tips on the toast.

And wail a lotta good hillbilly songs
Sing that country music
And sing it loud and strong
I wanna get myself a great big band
Pick and sing all over the land
Play the one night stands and move right along.

--- Instrumental ---

Well, even as a youngster
My daddy said to me
When you grow up
I want you to sing in Grand Ole Opry.

And wail a lotta good hillbilly songs
Sing that country music
And sing it loud and strong
I wanna get myself a great big band
Pick and sing all over the land
Play the one night stands and move right along.

--- Instrumental ---

Well, now that I'm older
I'm happy as can be
Doin' guest shots on
The Opry and acting on TV.

And I'm wailing out them hillbilly songs
Singin' that country music
And I'm singin' it loud and strong
I've got myself a great big band
Pickin' and singin' all over the land
Playin' the one night stands
And movin' along.

I'm playin' the one night stands

And movin' along...
