Slowly dying, slowly dying  
Our love can't live for very long  
You keep lying, alibiing  
Ev'ryone can see there's something wrong.

Chorus:

Used to be we were together ev'rywhere we went  
Now I wonder where you are and how your time is spent  
Slowly dying, slowly dying  
That's not the way true love was meant.

Slowly dying, slowly dying  
Chances of the dreams we had are dim  
You're ungrateful, so unfaithful  
Killing a love with ways of sin.

Chorus:

Used to be we were together ev'rywhere we went  
Now I wonder where you are and how your time is spent  
Slowly dying, slowly dying  
That's not the way true love was meant.
