Slowly, I'm falling more in love with you
Slowly, you're winning a heart that can be true
Now I can't hide my feelings for it's so plain and true
Slowly, I'm falling more in love with you.

More and more I need you and want you by my side
More and more I love you as each day passes by
No need to hide my feelings for it's so plain and true
Slowly, I'm falling more in love with you.

--- Instrumental ---

Slowly, I'm falling more in love with you
Slowly, you're winning a heart that can be true
Now I can't hide my feelings for it's so plain and true
Slowly, I'm falling more in love with you...
