Sometimes it's hard to be a woman
Giving all your love to just one man
You'll have bad times and he'll have good times
Going things that you don't understand

But if you love him you'll forgive him
Even though he's hard to understand
And if you love him all be proud of him
'Cause after all he's just a man

Stand by your man
Give him two arms to cling to
And something warm to come to
When nights are cold and lonely

Stand by your man
And show the world you love him
Keep giving all the love
You can stand by your man

Stand by your man
