Now this old heart has been around
It's been up and it's been down
It's been walked on till it's had shot
But it's still the only heart that I've got.

Now you're the last one to come along
So treat it right don't do it wrong
And if you love me love me a lot
For it's still the only heart that I've got.

--- Instrumental ---

Now it's no joy and it's no tears
It's no happiness and it's no fear
It holds memories and there are lot
But it's still the only heart that I've got.

Now you're the last one to come along
So treat it right don't do it wrong
And if you love me love me a lot
For it's still the only heart that I've got...
