I wish I could come back to you, dear  
I know that you want me to  
But too much waters run  
Under that old bridge

There's too many rivers between me and you  
There's too many rivers to cross, dear  
And too many dreams have been lost  
And there's too many long nights  
I've turned and I've tossed  
There's too many rivers to cross

Don't think for a moment, I blame only you  
We both killed the fruit on the vine  
When you try to put love back together  
There's always a few little pieces you can't find

There's too many rivers between me and you  
There's too many rivers to cross, dear  
And too many dreams have been lost  
And there's too many long nights  
I've turned and I've tossed  
There's too many rivers to cross
