Touch my heart feel the hurt it's destroying me
I've tried but can't seem to shake his memory
Touch my heart feel the hurt the pain and misery
And tell me again what love can do for me.

If you lived in my world awhile you'd soon forget how to
smile
In my world there's a million ways to cry
If you had my eyes you could see how someone
changed my destiny
I'm a girl who can't live and yet can't die.

Touch my heart feel the hurt it's destroying me
I've tried but can't seem to shake his memory
Touch my heart feel the hurt the pain and misery
And tell me again what love can do for me...
