"Try A Little Kindness"

If you see your brother standing by the road
With a heavy load from the seeds he sowed
If you see your sister falling by the way
Just stop and say you're goin' the wrong way.

You've got to try a little kindness, yes, show a little
kindness
Just shine your light for everyone to see
And if you'll try a little kindness then you'll overlook the
blindness
Of the narrow minded people on the narrow minded
streets.

--- Instrumental ---

Don't walk around the down and out
Lend a helping hand instead of doubt
And the kindness that you show every day
Will help someone along their way.

You've got to try a little kindness, yes, show a little
kindness
Just shine your light for everyone to see
And if you'll try a little kindness then you'll overlook the
blindness
Of the narrow minded people on the narrow minded
streets.

You've got to try a little kindness, yes, show a little
kindness
Just shine your light for everyone to see
And if you'll try a little kindness then you'll overlook the
blindness
Of the narrow minded people on the narrow minded
streets...
