(Wait for the light to shine
Wait for the light to shine)
Pull yourself together and keep waiting for the sign
Wait for the light to shine.

When the road is rocky and you're carrying a load
Wait for the light to shine
If you find your friendless on that weary lonesome road
Wait for the light to shine.

Wait for the light to shine
Wait for the light to shine
Pull yourself together and keep waiting for the sign
Wait for the light to shine.

--- Instrumental ---

Don't forget your brother as you travel through the land
Wait for the light to shine
He may be in trouble and may need a helping hand
Wait for the light to shine.

Wait for the light to shine

Pull yourself together and keep waiting for the sign
Wait for the light to shine.

--- Instrumental ---

If your life is empty and you're on your last go round
Wait for the light to shine
If you hear the chime bells on the highway you have
found
Wait for the light to shine.
