Don't be careless with you darling  
If you love him don't let him down  
If you're faithful he won't leave you  
Lost and wasted the way I am.

Walk softly on the bridges that you're crossing  
Don't break his heart then cry cause it won't mend  
Be careful not to slam the door behind you  
You may want to knock upon his door again.

--- Instrumental ---

When temptation flirts and whispers come  
And taste my lips they're sweet as wine  
If you weaken then you'll be cheatin'  
On your own heart like I did mine.

Walk softly on the bridges that you're crossing  
Don't break his heart then cry cause it won't mend  
Be careful not to slam the door behind you  
You may want to knock upon his door again.

You may want to knock upon his door again...
