Walk through this world with me  
Go where I go  
Share all my dreams with me  
I need you so.

In life we search  
And some of us find  
I've looked for you  
A long, long time.

And now that I found you  
New horizons I see  
Come take my hand  
And walk through this world with me.

--- Instrumental ---

Walk through this world with me  
Go where I go  
Share all my dreams with me  
I've searched for you so,

And now that I found you  
New horizons I see  
Come take my hand  
And walk through this world with me.

Come take my hand  
And walk through this world with me...
