If anyone could find the joy that true love brings a girl
and boy
We could, we could you and I
If anyone could ever say that their true love was here to
stay
We could, we could you and I.

When you're in my arms I know you're happy to be
there
And just as long as I'm with you I'm happy anywhere
If anyone could pray each night to thank the Lord
'cause all is right
We could, we could you and I.

And just as long as I'm with you I'm happy anywhere
If anyone could pray each night to thank the Lord
