What am I living for if not for you  
What am I living for if not for you  
What am I living for if not for you  
Oh, nobody else, nobody else will do.

What am I longing for each lonely night  
To feel your lips to mine to hold you tight  
You'll be the only one my whole life through  
Oh, nobody else, nobody else will do.

I want you close to me that's all I know  
I want you all the time because I love you so  
What am I living for if not for you  
What am I living for if not for you.

What am I living for if not for you  
Oh, nobody else, nobody else will do.

Darling, nobody else, nobody else will do...
