WHAT I BELIEVE DEAR (IS ALL UP TO YOU)

Writers Tott Wilson, Sue Wilson

What I believe, dear, is all up to you  
Those things they are saying  
Don't have to be true  
I'll tell my heart they lied  
All gossip can't be true  
For what I believe, dear, is all up to you  
I'll put my faith in you as long as I live  
To prove that my love is true  
What more can I give  
Let the rumors fly, who cares  
As long as you're true  
For what I believe, dear, is all up to you  
(Repeat first verse)
