"Where The Soul Never Dies"

To Canaan's land I'm on my way
Where the soul of men never dies
My darkest night will turn today
Where the soul of men never dies.

No sad farewell
No tear dimmed eyes
Where all his love
And the soul never dies.

--- Instrumental ---

A rose is bloomin' there for me
Where the soul of men never dies
And I will spend eternity
Where the soul of men never dies.

No sad farewell
No tear dimmed eyes
Where all his love
And the soul never dies.

--- Instrumental ---

I'm on my way to that fair land
Where the soul of men never dies
Where there will be no parting hand
Where the soul of men never dies.

No sad farewell
No tear dimmed eyes
Where all his love
And the soul never dies...
