I've been living a new way of life that I love so  
But I can see the clouds are gathering and the storm  
will wreck our home  
For last night she held you tightly and you didn't even  
shove  
This is true for I've been watching from the window up  
above.

You must have thought that I was sleeping and I wish  
that I had been  
But it's best to get to know you and the way your heart  
can sin  
I thought we belong together and our hearts fit like a  
glove  
But I was wrong for I've been watching from the window  
up above.

--- Instrumental ---

From my eyes the teardrops started as I listened on  
and on  
Heard you whisper to her softly that our marriage was  
all wrong  
But I hope she makes you happy and you'll never lose  
her love  
I lost mine while I was watching from the window up  
above.

Now I wished I could be dreaming and wake up to a  
love that's true  
But I was wrong for I've been watching from the window  
up above...
