Have you ever been awoken by the crowing of a rooster  
While the night's dew is still heavy on the ground  
And the voice of Uncle Ben seems to break the  
morning silence  
Bringing lights to windows all around.

Well it's time to rise and shine start another hard work  
day  
And get the cows in and start the milking chores  
It's nice to think about it, can't even visit  
Well, I wonder could I live there anymore.

--- Instrumental ---

Talking about the smell of cornbread cooking on a  
wood stove  
Seems to bring a picture to my mind  
Of a little three room house with mama in the kitchen  
But she can't stop to talk ain't got the time.

She's a fixing daddy's supper he's a working over time  
Trying to pay our bill at grocery store  
It's nice to think about it, can't even visit  
Well, I wonder could I live there anymore.

--- Instrumental ---

As I think about my childhood and of my old hometown  
I don't really miss 'em like before  
It's nice to think about it, can't even visit  
Well, I wonder could I live there anymore.

Oh, I wonder could I live there anymore...
