Have you found since you turned me down  
The one who you were searching for  
Are you glad that you made me sad  
For you know I vowed to love you ever more.

What did you have in mind when you broke this heart of  
mine  
Are you laughing in my face  
Darling, what can I do when you said we are through  
You've left a wound time can't erase.

--- Instrumental ---

Tell me dear are you satisfied  
To be foot loose and fancy free  
Is it power you want for the things you've done  
What you've gained I guess I'll never see.

What did you have in mind when you broke this heart of  
mine  
Are you laughing in my face  
Darling, what can I do when you said we are through  
You've left a wound time can't erase...
