Today I burned your old love letters  
I burned them slowly one by one  
Before I'd light the flame I read them  
To try and find the wrongs I've done.

The first you wrote me was the sweetest  
The last one broke my heart in two  
And now all alone I left you weeping  
For the ashes of your letters tied in blue.

--- Instrumental ---

As I burned your old love letters  
I watched my dreams go up in smoke  
I lived again those precious mem'ries  
I heard each tender word you spoke.

The first you wrote me was the sweetest  
The last one said that we were through  
Our love is there among the embers  
In the ashes of your letters tied in blue...
