You drove me to the church on Sunday, to our home on
Monday
And I've been here the rest of the time
I know she's somewhere out there by your side while
I'm taken for a ride
You're driving me out of my mind.

We've been a one car family ever since we said I do
Trouble is I never see a car for you
I need love so bad but you just can't be found
You're always somewhere with your friends up town.

You drove me to the church on Sunday, to our home on
Monday
And I've been here the rest of the time
I know she's somewhere out there by your side while
I'm taken for a ride
You're driving me out of my mind.

--- Instrumental ---

I thought having you would bring me happiness
But now I'm living in a house of loneliness
These walls that I've been talking to won't hold me tight
And I'll cry myself to sleep again tonight.

You drove me to the church on Sunday to our home on
Monday
And I've been here the rest of the time
I know she's somewhere out there by your side while
I'm taken for a ride
You're driving me out of my mind.

Yes, you're driving me out of my mind...
