First you wanna say yes then you wanna say no
You're just like the rest, they come and they go
I know that you're his but you say that you're mine
Instead of making my love you're making up lies
You lie like a rug
You lie lie lie lie lie
Lie like a rug (She lies - she lies - don't ya deny it)
I don't need it
I don't want it
I've been told, told about you

You lie like a rug (Hey) You lie like a rug (Whoo) You lie like a rug (Hey) You lie like a rug

Treat me like a doormat You walk all over me Yeah it's a Of insincerity Lies in the bedroom Lie in the tub Lie like a rug

You lie lie lie Lie like a rug (She lies - She lies -Don't you deny it)

I don't want it I don't need it I've been told, told about you.

(Chorus)

First you wanna say yes then you wanna say no You're just like the rest, they come and they go I know that you're his but you say that you're mine Instead of making my love you're making up lies You lie like a rug You lie lie lie lie lie Lie like a rug (She lies - she lies - don't ya deny it) I don't need it

```
I don't want it
I've been told, told about you

Lie like a rug
Oh lie lie lie lie lie
Lie like a rug (She lies - She lies - Don't you deny
It)
Lie - Lie
Chorus)
```
