I'm a time bomb  
It's time that I explode  
Waited so long  
For moonlight overload  
You are the only target  
I always hit my mark  
Let's get the fire started  
Our sparks will light the dark

Midnite dynamite  
I'm midnite dynamite  
Our sparks they will ignite  
I'm midnite dynamite

I'm a land mine  
It's time you fall on me  
I'm a dead eye  
Damnation guarantee  
We are the late explosion  
200 decibels to thrill  
The danger - emotion  
I hear the clock strike twelve

Midnite dynamite  
I'm midnite dynamite  
Our sparks they will ignite  
I'm midnite dynamite

Sometimes daytime lasts too long  
Midnite heart beats loud and strong  
Come on

You are the only target  
And I always hit my mark  
Let's get the fire started  
Our sparks will light the dark

Midnite dynamite  
I'm midnite dynamite  
Our sparks they will ignite  
I'm midnite dynamite

Midnite dynamite  
I'm midnite dynamite  
Our sparks they will ignite  
I'm midnite dynamite
