It's alright knockin' me out, yeah
Uh, uh, loaded up and comin' down
She's an H-bomb, baby, gonna wreck this town

Like a love hurricane
She lit my wick and she burned my flame
She said I know what you wanna do
I'll make your dreams come true

What's this, Sly?

Bump the la, la, shake it all night
Got a trick for ya up my sleeve
Bump the la, la, do it all night
That's what I need watch out
I can't stop it now on the flip side there's more

Flicked her switch and she said
I'll give ya room service and breakfast in bed
Your wish, my command

I said, "Yeah, yeah
I'll be your marathon man
All day all night all week long
Gonna give it to you"

Bump the la, la, shake it all night
Got a trick for ya up my sleeve
Bump the la, la, do it all night
That's what I need

All day all night all week long
Make my dream come true

Bump the la, la, shake it all night
Got a trick for ya up my sleeve
Bump the la, la, do it all night
That's what I need

Uh, uh, uh, uh

Bump the la, la, yeah

Bump the la, la, take it, take it up all night
Bump the la, la, ooh yeah
Bump the la, la, bump it, bump it, bump it, bump it
