Caught you at the Midtown bar
Gettin' outa your daddy's car, ya said it wasn't true
Shakin' like a monkey snake
Couldn't even look me in the face
Baby baby baby when I was lookin' at you

Every little thing you try to tell me
Every dirty trick you try to pull
Every tie you stick the knife inside me
(They got a name for you)

Liar liar pants on fire - (liar)
(They got a name for you)
Liar liar pants on fire - (liar) - liar - (liar)

You said I was your only man
But I saw where you put your hand
That ain't no way ta ta ta treat me right
Saw your little head go down
Word is all over town - town -
Yeah - I caught you redheaded

Every little thing you try to tell me
Every dirty trick you try to pull
Every tie you stick the knife inside me
(They got a name for you)
Liar liar pants on fire - (liar)
(They got a name for you)
Liar liar pants on fire - (liar) - liar - (liar)

I bet you had' seein' stars
I know just how good you are
You always make me crazy crazy
Now you're lookin' in my eyes
Here comes another alibi - bye-bye b-baby

Every little thing you try to tell me
Every dirty trick you try to pull
Every tie you stick the knife inside me
(They got a name for you)
Liar liar pants on fire - (liar)

(They got a name for you)
Liar liar pants on fire - (liar) - liar - (liar)
(They got a name for you)
Liar liar pants on fire - (liar) - liar - (liar)
(They got a name for you)
Liar liar pants on fire - liar liar liar liar
