Onegai dakara...sonna me de minai de
Boku datte ima wa tsurai no dakara...
Futari shite ochite yuku koto wa nai...
Kimi naraba hitori demo yareru sa...

Kono sora no iro no you ni...
Ire kawaru boku no kokoro...

Futari ga itsuka warai aeru you ni...
Ima wa naite ima wo taete yukou
Futari ga itsumo yorokobi wo wake aeru you ni
Ima wa naite... ima wo taete yukou

Kanashimi wa yagate kiete yuku mono
Yasashisa ga kimi ni furisosogi masu you ni...

Kimi ni au kotoba sagashite
Boku wa mata kimi wo omou

Futari no negai itsuka kanau you ni
Ima wa naite... ima wo taete yukou

Submitter's comments:Â

I really want to know the meaning of these lyrics..
Thankyou in anticipation to who ever who'll do me the favour of translating this song
