Featuring: Yankee Man

I'm like some piranha in some bloody water
I'm coming nicely with the blah-blah
giving praise to the eternal Jah-Jah
eternal Father flowing in this living water
your rhymes ca-ca talking all ya rah-rah
mic's is sparking I'm tight like arteries that was
hardened
I beg your pardon the 52 is strictly parting
emcees like Im Moses
no matter what your coast is
no matter what your flow is
no matter who's the dopest
without Christ you're hopeless
I shake dust from opposers
get your open like roses
burning microphone holders
assembling all the soldiers
open your current orders
I'm attacking tape recorders while I'm holding
down this fortress

Chorus

1, 2, 3 follow after he Christ is the Son of the Almighty
1, 2, 3 follow after he Christ is the Son of the Almighty
1, 2, 3 follow after he Christ is the Son of the Almighty

it's hard to be a star when your skills ain't up to par
it's hard to push a Lex when you don't even own a car
it's hard to win the batten when you can't win this war
it's hard to be a man when you don't know who you are
I stay on point just like some harpoons
develop thoughts in verbal dark rooms taking on these
cartoons
ya minds spinning like some typhoons
these martial artists flip scripts to leave ya open like
some gaping wounds
call me 52 this predator
my microphone's like Excalibur attacking y'all with
metaphors
so my competitors can now check ya exit doors
choice is yours Jesus reigns like when it pours
the Lord God Most High superior
these haters lay up in this cut like bacteria
I'm never fearing ya I see through exteriors
I keep on scoping out these moves from ulterior
stay devoted still checking all ya motives
thoughts unloaded though so many times I'm
misquoted
so now it's noted these origins of residence
so my adversaries can now make they exodus
'cause it's my nemesis escorted off the premises
there ain't no guessing this when I proceed to finish
this
52 the chemist head seeking lyricist
standing with my locust fist now I got ya choking this

but from genesis I'll still stand opposing this
smack it up, if they last name is skills ya first name
