Chorus

MotoLyrics

Bounce with me, bounce with me (And all the ladies just) Bounce with me, bounce with me (And all the fellas just) Bounce with me, bounce with me (Now party people just) Bounce with me, bounce with me (Everybody cÂ'mon)

If you feeling alright and ya down with me And you came to the jam to rock the party And youÂ're all up in the spot in the place to be Well, thereÂ's only one thing I want ya do for me You need to keep it on moving on now bring ya crew along

We sending you a song just to keep ya grooving on And let you know that my God will never do ya wrong And if ya standing still well thatÂ's the one thing youÂ're doing wrong

We keep attacking the song with every track that we on We got ya clapping along when we be rapping along ItÂ's the fact that we on when we bring it on ItÂ's the path we on and we got ya just singing along like...

Chorus

Can I take a minute just a minute just to spit it till lÂ'm finished

Came with it just to rip it and leave you bouncing in it So you bound to get it now even if you ainÂ't just with it now

This is how we getting down whenever we be hitting towns

You must be kidding now tell me why you sitting down You better just be getting down there ainÂ't no time for chilling now

So if you feel it now hands to the ceiling now This is how we move the crowd whenever we just boom the sound

Christ reigns supreme and you know we gonna say it

loud And when the records spinning round you know you better play it loud We ainÂ't just finished now you know we got to spit it loud See we got ya bouncing now whenever it just hits the crowd like...

Chorus

We came here to move the crowd tonight all night Do you want to get on down tonight? ItÂ's alright (Then bounce with me now)
