Rolled up to the place to be
I pulled right up to the Mickey C's
I got three cars in front of me and
man IÂ'm feeling hungry now
tell you what I gotta to do
as I started pulling through
I said can I get a number two?
he said sorry man I aint hearing you..
A coke a fry and a cheeseburger
say thatÂ's all that I want to order
just a coke a fry and a cheeseburger
said that's all that I want (come on)
He said can you repeat that?
so I began to scream back
just a number two with the cheese stacked
can you make that please fast
well let me repeat that back to you
chicken burrito and a mountain dew
with two whoppers and some bean stew
is there anything else I can get for you?

Chorus

All I want is just a burger
now 40 times I think I told ya
really bro I aint getting older
see I know my food be getting colder
all this junk I had enough
well finally I just drove up
all the drama whatÂ's the hold up
gave me a bag with a paper cup and a..

Chorus

Now I aint ate like all day
so I gave him the money and drove away
well reached in the bag and IÂ'm about to take
just a big old bite and I canÂ't wait
whereÂ's the fries IÂ'm supposed to have
whereÂ's the burger IÂ'm supposed to grab
just right then I started getting mad
man bro there aint nothing in the bag!!!
