Chorus

We going to fly with You (Now He'll be coming down)
We going to fly with You (Now He'll be coming soon)
We going to fly with You (Now He'll be coming down)
We going to fly with You (Now He'll be coming soon)

It's just an average day I'm thinking every thing's
okay
I'm walking down the street just trying to pass my day
away
And all of a sudden I turn my head and now I hear a
crash
A car is flying towards me and plus it's coming fast
I'm moving quickly as it crashed into the side of the
street
I looked inside but now there's no one in the driver's
seat
And all around me it's only chaos that I can see
These people running and screaming but it makes no
sense to me
Now what happened I look up and see a plane just
crashing
Into the side of a building up in smoke and flames
blasting
When suddenly it hit me so clearly just the reality
That the Son of God came back but didn't come back
for me

Chorus

I was that part time Bible reader slash part time church
leader
Giving God part time I'm a part time believer
You'd seen me on the front pew just by the speaker
Falling asleep on Sunday morning
Just while I'm listening now to the preacher

Had everybody fooled including me
The fools included me but really now the only fool was
truly me
See I truly be wishing I could change the way I was
living

While others weâre seeking after God I was seeking
after religion
Iâ'm trying to call my friends but they keep on coming
up missing
Iâ'm getting stressed cause thereâ's one thing that I
was wishing
That I wouldâve done more with the truth of the words
that I was given
Why did I waste that time why didnâ't I just listen

Chorus

Jesus Iâ'm sorry Jesus is it too late for me
Jesus can you hear me You feel so far from me
Iâ'm sorry for what I did Iâ'm sorry for the way I lived
I been ignoring You ever since I was a little kid
I know that You forgive but can You just forgive me
For all the times Iâ've ignored for all the loving that You
give me
Please donâ't forget me Iâ'm sorry please believe me
Donâ't go! Jesus donâ't leave me!!!
