La la la la la
Dear slim
La la la la la
La la la la la
Yo yo yo yo
La la la la la la la la yo
La la la la la la la la yo
La la la la la la la la Dear slim Part 2
La la la la la la la la yo

Dear slim i wrote you but you aint callen
Its been a couple years now since i wrote that song en
Alot has changed now for you and I

I had no clue that I would write a song for you and
It would change some lives
Kids with tears in the eyes
They now come up to me
Showing love to me
And telling me that they look up to me
The effects to me well
Were really kinda strange to see
I only wanted to share with you now
Jesus done for me
But theres a whole nother side to things now
That I come to see

Its a huge influence you got upon on the industry
But enough of me
Cause its not what i came to say to you
Not a day goes by while i take time to pray for you
Sorry now for what your mom and dad
What they did to you
But i can relate with you
Cause well see dude iv been there too
I know theres a lot of pain and hurt
Now that youv been through
But never forget theres a real love that god gave to you

La la la la la la la la
La la la la la la la la la to whom it may concern
La la la la la la la la

La la la la la la la la still to whom it may concern
La la la la la la la la
La la la la la la la la To whom it may concern
La la la la la la la la
La la la la la la la la Its still to whom it may concern

Yo dear slim i wrote you and you still aint callen
Backstage at the VMAs someone gave you my song
and
I kinda wonderen what you thought man
Or when that guy walked up to you
And talked to you and put it in your hands
Maybe you never listen to it or
Maybe you lost it
Or maybe you heard it and you just got mad
And then you tossed it
Did he hits you back
Thats the question i always get
Im like well god for bide you might even of liked it
I dont know but

Congratulations on your movie yo and
Heard your last record well ova ten million sold
But theres one thing that gots me thinkin bro
Dose the grammy mean anything if its just got a
carcass sole
In case you didnt know theres a lovin that will never go
away
You say your goin to hell but it dont have to be that way
See the bottom line of what im tryin to say is
God puts back the broken peaces
That are were thrown away

If even everyone you know
Just up and goes away
He'll still love you till the very day
That your of that old and gray
To bad alot of Christians all they do is hate on you
Instead of dropen it there knees
And taken time to pray for you
Its ovious that you really love your doughtier dude
For that i gota tell you well i really got respect for you
So here it is dear slim chapter part 2
Another cat tring to make it just like you

La la la la la la la la
La la la la la la la la to whom it may concern
La la la la la la la la
La la la la la la la la still to whom it may concern
La la la la la la la la
La la la la la la la la To whom it may concern

La la la la la la la la
La la la la la la la la la Its still to whom it may concern

Yo dear slim did you hear the junk that im goin through
Kinds sending me hate mail and telling me
How im fighting you
Telling me how they gonna beat me up and just kill me
too
But alot of people they just seem to get my song
confused
See what i say to you i know it might even sound funny
But i never came at you just to paint you has the enemy
It wasn't about haten or spunten some controversy
It wasn't about blamen you or tryn to make some
money na
I dont claim to know everything that youv experienced
Man i dont even know if even ever be hearen this
But i said it once and i still hold it is

Is that a life with out Christ is still a life that is never
fixed
Ill tell you this even if its a hard pill to swallow
Like it or not slim your gonna always be a roll model
Do you know these kids were the ones they always
follow
What we say and how we live gives them a better
tomorrow
Iv had my share of some plus man iv been rejected
Iv been chewed up spit out and cussed disrespected
But if i die to day and never sale another record
Jesus gave me more than i ever could of been
expected
I know life is hectic it can leave you blowin away
But check it bro cause we just gonna die someday
And on that note well theres only one thing still left to
say
Theres still one love and one god and only one way

La la la la la la la la
La la la la la la la la la to whom it may concern
La la la la la la la la
La la la la la la la la la still to whom it may concern
La la la la la la la la
La la la la la la la la la To whom it may concern
La la la la la la la la
La la la la la la la la la Its still to whom it may concern

La la la la la la la la
La la la la la la la la la to whom it may concern
La la la la la la la la
La la la la la la la la la still to whom it may concern

La la la la la la la la
La la la la la la la la la To whom it may concern
La la la la la la la la
La la la la la la la la la Its still to whom it may concern
