Director:

Well hello everybody

Welcome to MDA, that's Mountain Dew Anonymous

For those that have abuse problems with Mountain Dew

We have a new member today, his name's KJ-52

KJ introduce yourself

KJ-52:

My name is KJ-52 and I'm addicted to Mountain Dew

Director:

Tell the people a little about what happened

KJ-52

What am I gonna do, I'm addicted to Mountain Dew

When I drink just one or two

People say "Boy what's wrong with you man"

Start acting like a fool, from all the caffeine and sugar too

I'm fiending like I ain't got a clue

And this is what I'm gonna say to you

CHORUS:

Uhh...Gimme that Mountain Dew

Uhh...Gimme that Mountain Dew

Uhh...Gimme that Mountain Dew

I ain't playing with you better gimme that Mountain Dew

Director:

Well, KJ I know that must be tough to talk about,

But part of recovery is talking about it starts

Explain how this started

KJ-52:

I started when i was on tour

I had to stay awak so I went to the store

Loaded up and I both like four, I just kept drinking more and more

When all of a sudden something happened to me

Just for some reason I couldn't fall asleep

mabe it was all the sugar and the caffeine

Not sure but I started to scream...

CHORUS

Director:

Well, KJ I know that was painful to talk about
But you CAN overcome it
You just have to admit that you have a problem.

KJ-52:

I got a problem I jsut can't help it
Somebody help I think I'm addicted
Cause every day i just got to have it
I can't help it, it's just a habit
I got a problem, I get it
I'm an addict, I'll admit it
And I promise I'm gonna quit it
Hey that mountain Dew over there, anybody gonna
finish it...?

Director:

KJ, you need to put the Mountain Dew down.
KJ, back away from the Mountain Dew
KJ-52 BACK AWAY FROM THE MOUNTAIN DEW
NOW MAN, I AIN'T PLAYING WITH YOU!

CHORUS

(Arguing in the background)

KJ-52:

Sorry, I don't know what came over me

Director:

Sorry

KJ-52:

You didn't have to hit me
