Ladies an' gentlemen  
Now put your hands together for KJ-fifty two  
Uh, actually it's five two  
Oh, I'm sorry I meant KJ-90210  
No it's KJ-52

Oh, excuse me, excuse me KJ-U571  
No your not hearin' me it's five two, five two  
Oh, I mean KJ-AK47  
No man just pay attention man

My name is KJ aka KJ five two  
My name is KJ it is so nice to meet you  
My name is KJ aka KJ five two  
My name is KJ it is so nice to meet you

My name is KJ, five two, brown hair eyes of blue  
20 lbs. cockin' in at six foot two  
You can catch me watchin' Veggie Tales sippin'  
Mountain Dew  
Spendin' too much money at the mall and Gadzooks

Now I'm rollin' through McDonald's I'm gettin' a number  
two  
But I know they gonna act rude and mess up my food  
Here's your cheeseburger and plus your coke too  
Ha, ha thanks a lot but where's my fries at fool?

I tried to grow a mullet way back in high school  
I was like, "Now everybody gonna think that I'm cool  
And the girls are gonna say I'm cuter than Tom Cruise"  
But instead they laugh at me like the Sponge Bob dude

Lookin' back I don't know just how I made it through  
But you live and learn, that just what you go through  
'Cause nowadays kids be like "KJ rocks dude"

My name is KJ aka KJ five two  
(Everybody stay tuned)  
My name is KJ it is so nice to meet you  
My name is KJ aka KJ five two  
My name is KJ it is so nice to meet you

My name is KJ five two  
Now ya'll be messin' up my name  
It's not fifty two it don't stand for King James  
I waited too long now so let me explain  
John 6:9 let me break it down plain

Five loaves two fishes is what a boy gave  
So I took what I had and I just did the same  
Put it all in his hands and I just walked away  
I said, "Lord, it's all Yours You can have the whole  
thing"

I know what I bring it might sound a little strange  
But I'm not in it just for this money or the fame  
Feel just the same ain't nothin' ever changed  
I still drive a mini van and naw I ain't ashamed

Sippin' Lipton Iced Tea dippin' switchin' lanes  
Like an insane soccer mom about to hit the game  
Yellin' at the lame drivers sayin', "Get out of the way"

My name is KJ aka KJ five two  
(Ya'll know the name)  
My name is KJ it is so nice to meet you  
My name is KJ aka KJ five two  
My name is KJ it is so nice to meet you  
My name is KJ five two

My name is KJ aka KJ five two  
My name is KJ it is so nice to meet you  
My name is KJ aka KJ five two  
My name is KJ it is so nice to meet you

My name is KJ aka KJ five two  
My name is KJ it is so nice to meet you  
My name is KJ aka KJ five two  
My name is KJ it is so nice to meet you  
My name is KJ five two
