Chorus:

Are y'all ready for this (Rock on)

Pump ya fist to this (Rock on)

Never mess with this (Rock on)

So come and get with this (Rock on) (Repeat Chorus)

1 2 3 and to the 4

Well, this is what happens when hip-hop meets the
hardcore

From the stands all the way to the dance floor

Get ya hands up pump it till ya arm sore

Ya better understand now who we rock for

The Son of Man just nothing else nothing more

So make your plans any time that we on tour

It's guaranteed we can and will give ya what ya came
for

What's the deal what in the world ya standing there for

C'mon for real I came in here to declare war

I ain't ashamed of the name of who I stand for

Jesus reigns supreme I'll say it till my tongue sore

Party people you want to get down

Are ya ready to rock and get down

Show me what ya got then get down

So everybody in the spot get down now (Chorus)

It goes 1 2 3 and to the 4

We ain't down get ready cuz there's plenty more

Ya better come get this life that we living for

So my man gives these people what they waiting for

Rock, rock, ready to roll

It's also no celebrating out of control

C'mon party people and hit the dance floor

Keep the party rocking till your hands get sore

It sounds too much to ignore

So throw your hands up yo give me some more

We're party on poor let the crowd roar

Cuz me and God are here to settle the score

C'mon

Party people you want to get down

Are ya ready to rock and get down
Show me what ya got then get down
So everybody in the spot get down now (Chorus x 3)
