Are you ready just to get on down  
Do you wanna just get on down  
Come on and get on down  
Everybody just get on down

Chorus

Keep on rocking the jam, weÂ're gonna keep on  
rocking the jam  
Keep on rocking the jam, weÂ're gonna keep on  
rocking the jam  
(LetÂ's just get down)

Cleezy what the deezy are ya doing  
The beat got the crowd moving up in the room and  
IÂ'm assuming if the people keep grooving  
The way they doing theyÂ'll blow a hole up in the roof  
and  
Ohh, call me Five-Tweezy, no lamborghini  
Just rock the beanie, any time that you seen me  
But life wasnÂ't always easy, back in the day these  
bullies would  
Tease me and beat me, cause my hair was so greasy  
But now IÂ'm moving up just like George and Weezy  
Soul Purpose you can call us S Peezy  
We rock the jam like boom boom da dee dee

Party people just get on down  
Party people just get on down  
(2X)

Chorus

So anytime ya gonna see me or TC on video radio  
Or just live now in 3D, thereÂ's just one thing we gonna  
guarantee we  
Promise to rock the jam rock it completely  
People trip out when they meet me and Cleezy  
Point fingers whisper secretly when they see the Soul  
Purpose  
Up in the jam but we be just 2 average guys  
So just please be knowing itÂ's all C-H-R-I-S-T  
The whole reason why we get down, canÂ't you see the

whole

Purpose of the Soul Purpose, it's what we be putting  
down when we be  
Getting down your CD

Chorus
