Chorus:

Everyday is Saturday night, but I can't wait for Sunday
morning, Sunday morning

Verse 1:

Chorus (x2)

Verse 2:

Walking down blocks
Pictures don't stop
Pictures inside my dome
This is not me
I'm just afraid to be here all alone
Hurry up, wait
Quit it don't stop
I'm drowning in the self
This is not me
Where is my revolution, but
If you want to own me
I am not concerned
If you follow me
I know that I can learn
You might be the greatest thing I've ever seen
All I know is music
All, All I've ever known

Chorus (x2)

(Let's go! x4)

Chorus (x3)
