You are the one I love, you are the one Iâ€™m thinking of
You are the one Iâ€™m singing of, and I just canâ€™t get
enough
Thereâ€™s something about all the things you do that
makes me want to say
To you, I only want to live for you, thatâ€™s all that I want
to do

Chorus

Youâ€™re the one I love
Youâ€™re the one I love
Youâ€™re the one I love
Youâ€™re the one
Youâ€™re the one

Iâ€™m sorry for these times when I take my eyes off you
Iâ€™m sorry for these lies and these stupid things I do
Sometimes I compromise the only thing I know thatâ€™s
true
I run and hide instead of doing just what I should do
I gave my life to you just way back in â€™92
And I recognize that Iâ€™ve stumbled just a time or two
But I find and realize that when I cry to you
Itâ€™s a fact that youâ€™ll take me back, cuz you always
do

Chorus

I donâ€™t want nothing in the way, donâ€™t wanna go
astray
Donâ€™t wanna walk away, just want to love you with all
my ways
Seek your face for all my days, now what can I say
cause really I just want
To stay in your ways just every day now and just never
stray
And Iâ€™m amazed that ya came with the intent to pay
my silly sinful ways
So seriously I just simply say that you was sent to save
these sinners that just went astray
Iâ€™ve tried to rearrange and change when I fell away,
itâ€™s a better day cause never will I be ashamed

You're the one I love what else could I ever state

Chorus

Lord you are the one for me

(Lord you are the only one, you are the holy one

You are my only one)

And this all I want to be (Lord you are the only one, you
are the holy one

You are my only one)
