You can reach me by railway, you can reach me by  
trailway  
You can reach me by airplane, you can reach me with  
your mind  
You can reach me by caravan, cross the desert like an  
Arab man  
I don't care how you get here, just- get here if you can

You can reach me by sailboat, climb a tree and swing  
rope to rope  
Take a sled and slide down slow, into these arms of  
mine  
You can jump on a speedy colt, cross the border in a  
blaze of hope  
I don't care how you get here, just- get here if you can

There are hills and mountains between us  
Always something to get over  
If I had my way, then surely you would be closer  
I need you closer

(interlude, then repeat bridge)

You can windsurf into my life, take me up on a carpet  
ride  
You can make it in a big balloon, but you better make it  
soon  
You can reach me by caravan, cross the desert like an  
Arab man  
I don't care how you get here, just- get here if you can

I don't care, I don't care, I need you right here right now

I need you right here, right now, right by my side  
(yeah,yeah, yeah, yeah)

I don't care how you get here, just- get here if you can
