I heard about these kids  
Walkin' on a train track  
Forty tons of steel bearing down on them  
And they just turned their backs  
Channel five asked the one who survived  
'Son, why'd you do such a thing?  
No reply  
But his eyes cried

Chorus:

Peace  
I just need some peace  
If i have to I'll do anything  
Don't need your love  
Or your sympathy  
But I cannot go on living  
Without peace

I know a man who  
Sits and stares at a  
Kitchen cabinet door  
That hides a whiskey bottle  
He hasn't touched since  
Well, this day four  
He told his wife this time he'd try  
As she was just about to leave  
No reply  
But her eyes cried...

Chorus:

Peace  
I just need some peace  
If i have to I'll do anything  
Don't need your love  
Or your sympathy  
But I cannot go on living  
Without peace

I have a friend who's looking for God  
A few good self-help books is as far as she's gotten

Say a prayer tonight for that desperate child

Say a prayer tonight for that man and his wife  
Say a prayer tonight for the searching, hurting  
For the one thing we all need  
If you don't know what to say  
Just look up to heaven's face and whisper, 'Peace'
