I've been a rock, been a shoulder  
Helped hurting hearts get over  
A good love that's gone wrong  
Yeah, I'm the one who said be strong

I've been the friend you can count on  
Stayed up late, listened all night long  
But for just once in my life  
I need to be the one who cries

Somebody save me  
Somebody take my hand and lead me  
Where there's no tears, no pain  
One time for a change

Somebody hold me  
Tell me everything is gonna be okay  
I'm asking, begging please  
Somebody save me

I'm feeling lost, need to be found  
I can feel my soul, it's reaching out  
Lord, I could use a little help  
No, I can't do this by myself

Somebody save me  
Somebody take my hand and lead me  
Where there's no tears, no pain  
One time for a change

Somebody hold me  
Tell me everything is gonna be okay  
I'm asking, begging please  
Somebody save me  
Somebody save me

Somebody save me  
Somebody take my hand and lead me  
Where there's no tears, no pain  
One time for a change

Somebody hold me

Tell me everything is gonna be okay  
I'm asking, begging please

Somebody hold me  
I'm down here on my knees  
Somebody save me  
Somebody save me

Somebody save me
