Here's a story  
Lovely lady  
Finest girl  
Don't give me woe

'Cause she told me  
That she loves me  
That she would not take control  
So I told her  
I'm not fronting  
I won't mess with what I find

Gonna keep her  
Close to me and  
Give her love that is divine

I'm going to bring you back to reality  
Where things aren't always nice  
Lots of fussing  
Lots of cussing  
Sometimes things don't turn out right

So I keep her close to me  
And tell her everything's all right  
No more crying  
No more shadows  
Girl, I'll be your light

Lady, don't be scared  
You know that we can do this right  
If only you would open up  
Scared of messing with your mind

Now I'm not saying  
That I ain't free  
'Cause I know I'd do you wrong  
And I'm praying that you will see  
That I do not mean you harm

It ain't easy  
'Cause I am me

Sometimes hard to tell the truth  
Girl I'm trying  
Please believe that  
Try my best to close these wounds
