In the grey of the evening
When the time is right
Gonna visit my lovin'
Her hand is soft and warm
I opened my window
The signal is loud and clear
Watch a talkin' on the phone babe
Speak louder, I can't hear
'Cause I know exactly what I do
The pain that's in my heart
Is burnin' right from the start
Pretty baby I give you my soul
Please give me tenderness
Stop actin' like a fool
Runnin' to the stairway
Yo' face sticked on my mind
Can hear my Mom's callin'
I have to be home for dinner (huh)
Can feel my heart beat
It's pumpin' hard and strong
I still gonna visit mt lovin'
Sorry Mom, no can do
'Cause I know exactly what I do
The pain that's in my heart
Is burnin' right from the start
Pretty baby I give you my soul
Please give me tenderness
Stop actin' like a fool
Tell me something (Nice)
Whisper nice thing (Twice)
And all your lovin'
'Cause I need some lovin' tonite
Then I tell you something (Yes)
I give you lovin' (Tenderness)
And all you longin'
'Cause I gonna be your lover tonite
My temperature is risin' now
It's time to make something dirty
It ain't time to go home, babe!
You know why?
Pretty baby I give you my soul
Please give me tenderness

Stop actin' like a fool
