Mienai tsubasa ga boku no senaka ni atte
Tobitatsu sekai wo itsu mo sagashite ita
Kodoku to itami ni torawareta dare ka wo
Yami no fuchi kara tsuredashite mamoritai
With my wings

Kokoro ni sukuu wazuka na ori ni
Kimi wa itsu made mo daki tomerareta mama
Donna ni sakende mo koe ga dasenai?
Kurayami no fuchi de namida wo nagashite iru

You're like a scape goat, be addicted to the endless
sea
Hikari tozashita mama

Kienai kusari de kimi wo tsunagu mamono wa
Mayoi no naka ni umare deta maboroshi
Mienai tsubasa wo ima kimi ni ageru yo
Dakara sashidasu kono te ni kizuite
Just with the wings

And you'll be changed
Zujou ni mau hane ni te wo kazasu toki

You're like an angel, that has a new dream in the light
of day
Hikari sashikomou asa

"ryoute ni sukui kirenai hane ga kimi wo tsutsumi
Karada ni tokete yuku... mirai ga mezameru"

Kienai kusari de kimi wo tsunagu mamono wa
Mayoi no naka ni umare deta maboroshi
Mienai tsubasa wo ima kimi ni ageru yo
Dakara sashidasu kono te ni kizuite
Just with the wings

Kienai kusari hodoite
You'll fly up with the wings
