Some old nigga yells out "40 you's a pimp"  
I said "Playboy understand my strategy  
Got to know a little somethin this dope game

(B-Legit)

I like to sake 'em up rattle  
Baby got saddle  
If the nigga had a sack could I fuck with that  
Got to blowin' up her head with the chitter chatter  
I'm out the roof of my coup spittin game at her  
I likes to fuck and get up and get on  
I'm eatin' steak on the bone  
And steady stuffin dick in her dome  
I'm on the phone in my hot tube  
Gettin' my back rubbed on  
About to fall deep in the zone  
Let a nigga kick back and put ten to the ceiling  
Got my face in the pillow cuz I'm lovin the feelin  
Ain't nothin like nuttin' in her jaw  
So damn raw, Nipples pokin' out the bra

(40)

Man in the town I see  
Undertakers, Captain Savers, Cape crusaders, A P.H.er  
Plays in the game gettin' ratted on  
A ba A bitches in the game gettin over on

Never tell a bitch all your buisness  
Cuz one day she might be an eye witness  
These are the things you need to know man

Chorus

Fools want to come up but ain't paid dues  
Want to hang around a player lookin' for clues  
Well in my younger days I did dirt  
Put in work, I used to but ki's from Kirk

Out there jiggin doin' all that I can
