[B-Legit talking]

Oh, ha ha

Man, all bitches be tryin' to run a funky ass game

They be like way out with that ol' shit man

I know, man what's up

You ever hook up with that bitch E hooked you up with

No man but I ran into this ol' school bitch though

Man she tried to run that same ol' shit

The same ol' punk shit

Man check it out

[B-Legit]

Bumped into a bitch named Candy

Met her late nigh, kind of perved off brandy

Dick on numb and I was strikin' the o's

And that's the same bitch that wants to fuck my mo's

Pass the chance, I wanna bone the bitch

I gave her my number with the code 0-6

I told her to call when the nights get cold

And maybe she can ride on the three times gold

Game much colder than a twenty below

Cause baby beeped back and was ready to go

Now my nigga told me when I'm in pursuit

It's nathin' but Lance open after two

So I hops in my Cut and I'm about tah

Take this bitch to my house-ah

No she ain't comin' from Legitimate B

Cause hoes to me is tramp d's

And that's a tramp nigga, a straight up bitch

Fuckin' with Legit cause she figure I'm rich

But I'm just to make her dome swoll

Wait till I get her in the day room

The day room man where I get the draws

Bang the walls cause it ain't no laws

Because soon as I get her I'ma spank her

Hit it real hard then I shank her

[B-Legit talking]

Ah yeah, she one of them late night hoes

One of them late night broads man, it's two in the morning ya know

Ah, I already know the program I know why shit is  
Yeah I ran her pants ya know  
Ha ha ha

[B-Legit]

And Candy was a bitch like dandy  
Diggin' for gold, with a kid buyin' Huggies by the boat  
load  
Black shear shirt with the see-through sleeves  
Thicker than a block of that government cheese  
She used to have a man but he's up state  
Snuck when I call her but I stay  
And dude'll never ever see baby again  
She needs another nigga to give her some ends  
So I peeps game and plays the role  
And tell her how good she'll look in some gold  
That must have been it, her magical spot  
Cause after that have baby straight on top  
Ridin' askin' if Legit can mack  
And I was tryin' to give the bitch brain damage  
She can keep fuckin' Legitimate B  
Cause hoes to me is tramd d's  
And that's a tramp nigga, a straight up bitch  
Fuckin' with Legit cause she figure I'm rich  
But I'm just to make her dome swoll  
Wait till I get her in the day room

[B-Legit talking]

Day room  
Yeah day room  
Shit  
Really don't know what the day room about though  
Yeah, you'll have to tell me  
Tell me about that

[B-Legit]

The day room man where I'm gettin' the draws  
And baby tryin' to strip paint off the walls  
Bashed the bitch and hittin' it swell  
Holdin' on to her fake ponytail  
A nigga like Legit straight tore shit up  
Hit it from the back and dropped a nut in her gut  
And that's about the time that the shit had changed  
The tramp dog bitch started runnin' her game  
About bein' depressed, down and out  
And havin' no mail in her bank account  
But all I can do when I listen to that  
Is give her a biggie and find a sack  
Meet me at the track about 3:15  
And we can talk about makin' us some green  
Give me a call, the Hillside Hog

But bitch you'll still be a tramp dog

[B-Legit talking]

Yeah, it's like this though man  
I played the game with bitches right, right  
It's like this the first one comes wins ya know, right  
And I'm undefeated, undefeated ha ha  
And it's like this if the bitch don't cum when I cum  
Then she cum when I come back  
Oh like that, like that  
Ya know what I'm sayin' right  
If she want mail she ain't gettin' shit  
Bitch you better get a job, or something  
Ya know, bitch  
Yeah so I come through the drive-thru  
And you don't say shit bitch  
McDonald's, Burger King what not Taco Bell  
Really want the check though, ol' bitch  
You owe me ya buck bitch  
That's my money, ha ha ha  
Motherfucker come off that shit  
Look she got five sixty  
Oh a real ho  
Nigga that's rent at the Hillside Terrace  
What I say, that's what I'm talkin' about  
Hey man but now I'm gone  
Hey man but find some hoes we can hook up with later  
on  
Like that  
Yeah, call the bitches back  
Well I'll get 'em though
